Hi All,

Mark your calendar for:
 Feds Only Meeting to Discuss OR CZARA 6216 Products
 Oct 5 at 12:30 in DC/MD/VA or 9:30 WA/OR
 Call In Number Nonresponsive

As wisely recommended by Alison, I have set up a time for the feds to discuss ODEQ's following documents with respect to meeting CZARA conditions/requirements in order to make sure we are consistent when presenting our recommendations and comments to the State of Oregon.

Draft TMDL Internal Management Directive. A link to the TMDL IMD:

TMDL Implementation Plan Development for Urban/Rural Residential Land Uses within CZMA Guidance. Note that this document is a draft and one of the areas Oregon DEQ is looking at improving is including a decision making framework to assist the users in the selection of management measures or management practices. Below is a link to a DEQ FTP site for accessing this document.
